Dear Lucia,

Most of our students travel to Dublin airport which has the widest range of connections.

I'm happy to reassure you that Galway city is very easily accessible from Dublin airport; there is a coach service at the airport which takes passengers directly from the airport to Galway in 2.5 hours. We recommend the coach company, [CITYLINK](#); buses leave on the hour throughout the day and tickets can be purchased in advance online. The bus stop is located in zone 13 just a few minutes' walk from Terminal 1 as you can see from the map below:

Zone 13 for Galway

Shannon Airport and Knock Airport are located in the west of Ireland but they are much smaller and it may be hard to find a convenient connection from your city.

I hope that's ok. If you need any other information, please feel free to ask.

Kind regards,

Deirdre
