Dear Lucia,

For students studying in Atlantic the most popular accommodation option is a room in a shared self-catering apartment.

We have a range of two and three bedroomed apartments which have one double en-suite room and one main bathroom shared by the other room or rooms. For example our Fairgreen Residence, which is located next to the school, offers 2 bedroomed apartments – there is one en-suite room with a double bed and one with twin beds which would have use of the main bathroom (which has bath and shower). Therefore two people sharing this type of apartment will each have use of a private bathroom. Our three bedroomed apartments have one ensuite room, and two single rooms which share the main bathroom; in this case a maximum of two people share the main bathroom. Common areas such as the kitchen, dining and living areas are shared. All our apartments are located in or near the city centre, within walking distance of the school. Rooms are allocated on the basis of availability at time of booking.

If some participants would like to stay with a host family, they can also opt for a single room with private bathroom (but these are not so widely available). Host Families provide breakfast and evening meal with lunch included on Saturdays and Sundays. Please note also that all our host families require guests to be fully vaccinated against COVID.

I hope that's ok. If you need any further information, please ask,

Kind regards,

Deirdre
