Communicating in the Italian University Context

SPRING SCHOOL 2026

Italian for Academic Purposes

March 30 – April 3 2026

A one-week intensive program designed to explore the linguistic and communicative dynamics of the university environment.

Minimum requirement: B2 level

- Focus on formal registers for institutional communication
- Practice writing skills for academic texts
- Develop oral interaction and participation in class
- Understand the conventions of the Italian academic system

The program provides practical support to confidently manage everyday study and research situations.

Registration opens
January 20, 2026
